Warning: This product is not a toy and not suitable for children. LED Radiation can cause permanent damage to vision; avoid direct and strongly reflected exposure to eyes. 365nm through 390nm light emitting diodes can be considered Class 1M LED Products. The use of ultraviolet protective goggles is recommended for all applications where UV light may be exposed directly to eyes.

USA Limited Warranty Information

UltraViolet Distributing ("UVD") provides, from the original date of purchase, to the original purchaser, a one-year limited warranty. This limited warranty covers manufacturing defects in material and workmanship only. At the time of service, the owner will need to provide to UVD a copy of the original invoice or sales receipt indicating date of purchase.

UVD does not cover damage or failure caused by abuse, misuse, faulty installation, improper maintenance, disregard for proper cleaning, or any repairs not carried out by UVD. Items that are not covered by this warranty are those considered as parts that are prone to failure due to general wear and tear. There will be no obligations or liability on the part of UVD for consequential damages arising from the use or misuse of the product or any indirect damages with respect to loss of property or revenue. For warranty service or replacement, the product must be reported to UVD toll free at (866) 608-6432 to receive a unique RA# (return authorization number) and at that time you will be advised where to send the product for service.

All shipping charges for warranty claims must be pre-paid. If the requested repairs or service are within the terms of this warranty, then the serviced item will be returned to you upon completion without any charge. The unit(s) must be in the original packaging with any original accessories. Any shipping damage resulting from either inadequate packaging or carrier mishandling is the responsibility of the sender. UVD will not be responsible or accept any liabilities for any loss or damage to additional items, which are sent with returned products covered by this warranty.

If your product is not covered under the terms of this warranty, UVD will advise you of the costs to carry out any repairs necessary and the unit will be shipped to you upon receipt of payment for the service, including return freight charges.

Please allow 2 to 4 weeks for service and return of your product. Under normal circumstances, warranty service is carried out within 10 business days. UVD cannot be held responsible for delays in shipping.

To register your product, please complete below and return to UVD. Please keep a copy for your records.
